LADY CAVS BASKETBALL

This season the Lady Cavs had a record of 2-18. This was a very rough year for the Lady Cavs. This team struggled with a lot of injuries. Since coach Roberts was new last year, players were still adjusting to a new coaching staff. Hopefully, next year the ladies will be more successful.

The 1996-1997 season was a very interesting one. The Lady Cavs had their ups and downs through the whole season. It was filled with injuries and illnesses, but they stuck it out until the end. The Lady Cavs were led by three returning starters from last years team; Senior Karin O'Connell, Junior Andrea Davenport, and Sophomore Dawn Guttowsky. The new Varsity members were Senior Robin Kwiatkowski, Juniors Maria Martinez and Rebecca Rehmann, Sophomore Alison Aiken, and Freshmen Trisha Morley and Colleen Urquhart. Even with a 3-27-1 record, the Lady Cavs learned a lot from each other. Way to go Ladies, CHS is proud. Good Luck next season.

"Our season started off slow. Some of the players did not get along, we did not play together as a team, and ego s stopped us from performing well. But later we figured out if we wanted to win we had to work together. If our season would have started when those last ten games came around, we would have been one of the top contenders in our conference."

"SUCCESS IN THE BOND"

Andrea,

Throughout the years we have watched you grow as a playful little girl so full of life, to a beautiful young lady ready to take on the world's strife.

We have many fond memories of our lives together, some like a bright sunny day, yet some with harsh weather. We have pulled together as a family when the days were not so bright, our family bond is so strong and we will not give up without a valiant fight.

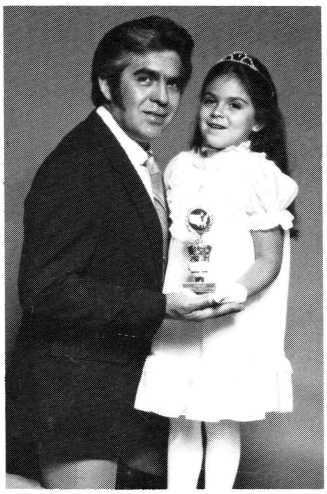
You have undertaken so many roles and responsibilities, both in and out of school. You always keep busy and use your talents like a tool. As a Mexican Folklore Ballet dancer you have put smiles on faces both near and far. The talent and gracefulness you have is second to none, like an eagle soaring during the fall of the sun. Your activities and involvement in school is commendable, and we are so very proud. From pom poms, to cheerleading, to homecoming you've accomplished so much, your work turns to gold with your magic touch. You work hard for the possessions that you obtain, not only in the class room, but in the working world all the same.

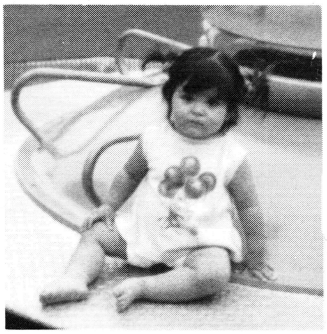
Your debut at your quincenera was only the beginning. It was a long anticipated event that had so much meaning, a magical night, almost as if you were dreaming. Your future as a woman in the eyes of the world started here, it was no doubt that your graduation would soon be near. Take that step forward and look straight ahead. You have many decisions and choices to make on the road of success. The ball is in your hand, guide it with finesse.

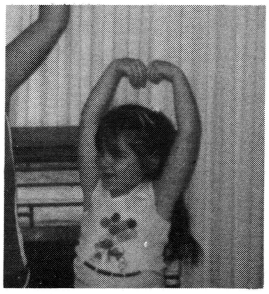
Your options will very depending on the path you choose to take. To pursue college and the armed services will make you ache. The will that you have will get you through all challenges. The desire you have will replace all the bandages. The choices you make are subject to change, but no matter what path you call your domain, always remember that we love you the same.

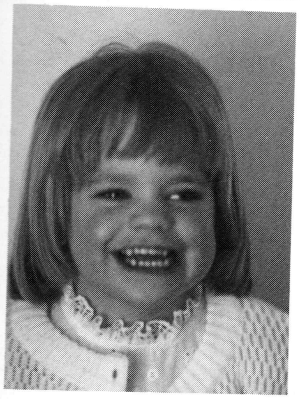
Love,

Dad, Mike, Dan, & Chico









Arianne...

So You Think You Know All, At The Age Of 18? Well, We've Watched You Grow From Precious To Queen. As The World And You Meet, On This You Can Bet Neither One Of You Has Seen Anything Yet!!!

We Love You and Are So Proud-- Mom, Dad, and Matt

☺ *CONGRATULATIONS KRISTEN !!! (TT)* ☺

As you reach forward with one hand, accept the advice of those who have gone before you. And in the same manner, reach back with the other hand to those who follow you; for life is a fragile chain of experiences held together by Love. Success

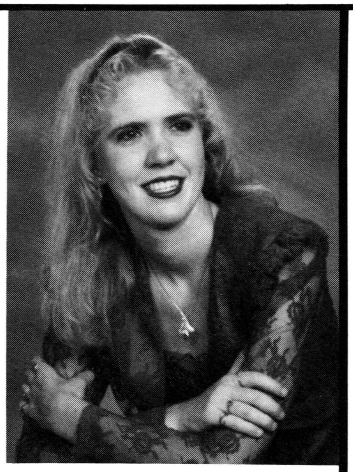
to have laughed often and much; to win the respect of intelligent people and affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition, to know even one life has breathed easier because you have lived. This is to have succeeded.

— Ralph Waldo Emerson



Sara,
I read somewhere
There are two gifts
To give your

One is roots,
The other is wings.
Which I give to
you now
With the
understanding
We'll always be
there for you.

Congratulations!
All our love,
